

ABOUT US NCFAE

The National Council of Forestry Association Executives (NCFAE) is a group of forestry executives that oversee state, national and professional trade associations. The NCFAE Annual Meeting is an opportunity to gather and share information on best practices, operations, HR, strategic planning, and priority issues happening around the states.

As part of this meeting, the Forest Industry Associations Council (FIAC) will convene and update members on issues impacting the forest products industry.

EVENT DETAILS 2023 ANNUAL MEETING

*Tuesday, July 11 –
Thursday, July 13*

The Four Seasons
Island Resort
Pembine, Wisconsin

NETWORKING

An opportunity to connect with fellow forestry executives and share experiences.

EXPERT SPEAKERS

Hear from expert speakers not only from the forestry industry, but leaders in HR, strategic planning, and more.

RELEVANT TOPICS

NCFAE meetings tackle matters at the forefront of leadership strategy.
